OF CONFESSING EVANGELICALS

ANNUAL REPORT

# STANDING FIRMLY ON THE ROCK OF GOD'S WORD

*For more than 75 years*

Thank you for another year of wonderfully God-honoring Bible teaching and confessionally focused ministry!

This report provides a brief overall of the work the Alliance of Confessing Evangelicals has accomplished in the last year because of you. Whether it's through prayer, participation, support, or all of the above, your ministry with the Alliance has an impact. Together we are recovering and proclaiming the great reformation truths of the Gospel. We do this in concrete, life-changing ways through Alliance broadcasts, publishing, and events.

Alliance broadcasts continue to reach more people through radio, podcasts, and streaming on YouTube. The most recent addition, **Hear the Word of God** featuring the teaching of Rev. Eric Alexander, is growing rapidly as individuals continue find the broadcast! If you've not listened to Hear the Word of God, you must; it's part of the podcast network.

The **Philadelphia Conference on Reformed Theology** is blessed to now be co-chaired by Jonathan Master and Jeffrey Stivason! The 2025 speakers include Ian Hamilton, Ryan McGraw, Derek Thomas, and Jeff. In addition to PCRT, the Alliance will partner in twelve regional gatherings—these events do a lot to connect new folks with the sound doctrine that Alliance Events are known for.

Alliance Publishing was busy in 2024 working with developers on upgrading the primary website for the Alliance—**AllianceNet.org**. This major update has been delayed as we sought the right technology to serve the needs of the current sites as well as the future of the ministry! 2025 will see more additions, importing our remaining sites, cross-site search functionality, improved user experience, and much more.

**ReformedResources.org**—the largest resource for Reformed teaching from nationally recognized pastors and theologians in the English-speaking world—is approaching 10,000 messages with more being added annually. Alliance Allies—a dedicated group of volunteers—are listening to many of these messages. Their work will play a big part of making this sound biblical teaching more easily accessible.

These are just a few of the exciting developments here at the Alliance. We look forward to the work God has planned—the transformative discipleship and teaching found on the broadcasts, at the events, and in all that is published. We are grateful for your partnership!

# BROADCASTING

Alliance broadcasts have been sharing the Gospel for over 75 years. In today's digital age—through radio, Internet, apps, and podcasts—we have the ability to reach more people in one day than the Apostle Paul did in a lifetime. Everyday, people around the world are encouraged and equipped because of your support. What an amazing privilege!

# PUBLISHING

Alliance Publishing utilizes both print and the web to impact believers worldwide and equip them for growth. Over 100,000 readers visit the Alliance's various sites monthly! Place for Truth and reformation21 continue to provide some of the best biblical doctrine from a range of confessional standards to both inform and encourage the believer.

Matthew Henry's Method for Prayer and the Think and Act Biblically devotionals provide daily encouragement to visitors from around the globe.

Our top-selling book in 2024 was *The Christian Way of Life* by Eric Alexander. Eric leads readers down the radiant corridors of Romans 12-15, showing how the gospel of redeeming grace empowers us for holy and acceptable service to God. This is a quick, but deep read—you'll want to have your pen along side you for notetaking!

Our hope is to end 2025 with another new book by Rev. Alexander (title forthcoming.) We will also focus on making more of our printed content available as ebooks.

# BECOME AN ALLIANCE ALLY

The Alliance has a rich treasury of sermons throughout our 75 year history. We want these messages to have maximum impact on the Church for future generations. One of our goals is to construct a reliable and searchable database that is easily accessible to our supporters and listeners.

To achieve this goal, we have developed a core group of volunteers called Allies. Currently numbered at 45, Alliance Allies review sermons and provide info on the major themes, main points, and key words that help us identify and summarize each message. Working in teams of 8, they reviewed 14 complete sermon series in 2024! We have started three new series so far in 2025. When each reviewer completes work on a series, they receive a book or booklet as a thank-you.

Now that we have enough data points on the sermons already reviewed, we can begin the work of assimilating and synthesizing the reviews to attain consensus and populate the database. This will give people the ability to access sermons based on themes and key words.

We are looking for volunteers to help us accomplish this project. Alliance Allies will listen to sermons, complete a simple review form, and return the form digitally or in a postage-paid envelope. That's all there is to it! # ALLIANCE EVENTS

## SOUND DOCTRINE, BOLDLY PREACHED

When the first Philadelphia Conference on Reformed Theology was held fifty-one years ago its purpose was three-fold:

- Awaken interest in biblical theology and the doctrines of grace
- Establish a forum at which men and women in the Reformed tradition might meet and be encouraged
- Marshall resources to strengthen the Church

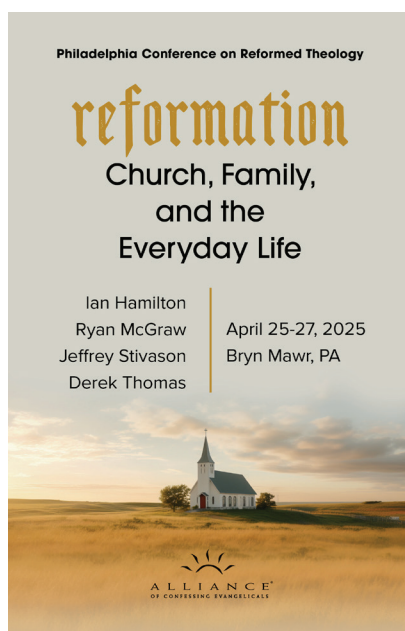

Since that time, hundreds of thousands of Alliance members, as well as noted pastors and teachers, have gathered around the country to study and be encouraged by God's Word at the PCRT, regional events, pastor and leadership conferences, and Reformation Societies.

The Church will only grow stronger as we know the Word of God and proclaim it to our contemporaries. Your support of the events produces resources that are used for years to come — books, audio, and videos that challenge believers around the globe.
